### RUSHES (SOCIAL NETWORK) :

These short videos of 15 to 30 seconds (1 or more rushes) are appreciated by the public aged 15-35. They are powerful and easily shareable.

## ENHANCEMENT OF YOUR COMPANY

For the little story, I **travelled** around Australia with a **4 wheel drive** (from north to south and from east to west) for 1 year.

Even if there are disadvantages to this type of "house", I **loved it**. If I had to do it again I **WOULD DO IT** again !

The advantages are the **freedom** of movement, **planning** and the **diversity** of places where you can to wake up.
